# EMERVEL® LIPS – FEEL THE LONG-LASTING SOFTNESS OF BEAUTIFUL LIPS

## + Are you ready for your close up?

Lips are at the forefront of our mind without even knowing. When you meet someone, without thinking you look at their mouth, at their lips, the shape and texture. We all want the perfect lips to be ready and confident for that 'close up'. Our lips convey warmth and receptivity so you want the best quality product to enhance and create your desired look. Emervel Lips offers a tailored, customised filler treatment experience to emulate beautiful looking lips.

## + Emervel Lips

Emervel® Lips is a HA dermal filler and part of the Emervel portfolio. Designed using the unique Optimal Balance Technology™ it offers a variety of calibration and crosslinking levels around a fixed HA concentration of 20 mg/mL for safety and longevity. It is designed for smooth integration into the delicate lip tissue to create beautiful looking lips that are soft and natural.

86% OF EMERVEL LIP PATIENTS WANT TO BE INJECTED WITH THE SAME PRODUCT AGAIN<sup>1</sup>

## + Excellent Tolerability and High Patient Satisfaction

Emervel Lips is proven to be well tolerated by patients with mild to moderate swelling, with a mean severity rating of 0.8 on a scale of 0 (none) to 3 (severe)<sup>1</sup>. Patients have increased treatment comfort due to the inclusion of lidocaine, 83% of patients were satisfied/very satisfied with their treatment<sup>1</sup>.

## + Long-lasting Lip Enhancement

Emervel Lips is clinically proven to maintain long-lasting lip enhancement with 72.7% of lip fullness maintained 6 months after treatment.<sup>1</sup>
